## With Local Foods

### Fall 2013 **WEBINAR** Series

**September 13, 1:30 pm to 2:30 pm**

**Local Foods as an Economic Development Tool**

We'll explore local food systems and how they contribute to the community, both as economic development and community development. Presenters will provide information about Illinois law and food safety.

**October 11, 1:30 pm to 2:30 pm**

**Case Studies in Communities -  
Local Food Development**

We'll discuss examples of successful development of local food systems, including what local growers frequently need regarding permitting and other municipal considerations.

**November 15, 1:30 pm to 2:30 pm**

**Illinois: Next Steps — Where do we go from here?**

We'll discuss the opportunities and challenges for the growth of local food systems in Illinois, how communities can support the development of local agricultural businesses and local food systems.
