

Prepare for a Lean transformation that will drive company growth

Meeting today's manufacturing challenges demands a lean enterprise — streamlining product design and manufacturing by applying lean manufacturing principles, concepts and techniques. The primary focus of this effort is the continuous elimination of waste in the company's business processes. Implementing Lean practices involves changing a work area or a business process to maximize efficiency, improve quality and safety, eliminate unnecessary motion and inventory, and save time and resources.

By experiencing the six course simulations in the Continuous Improvement Series, participants will have the knowledge, tools and application examples required to begin a Lean transformation.

KISHWAUKEE COLLEGE CONFERENCE CENTER

21193 Malta Road, Malta, IL
Room 1268/1222

MAY 1 - JUNE 5, 2014

The six courses within the series include:

• Lean 101	MAY 1	8-4:30
• Lean Leadership / Change Management	MAY 8	8-4:30
• Value Stream Mapping & 5S / Workplace Organization	MAY 15	8-4:30
• Quick Changeover	MAY 22	8-4:30
• Cellular / Flow Manufacturing	MAY 29	8-4:30
• Pull / Kanban Systems & Total Productive Maintenance	JUNE 5	8-4:30

IMPLEMENTING CONTINUOUS IMPROVEMENT EFFORTS CAN TRANSFORM A COMPANY.

Trained practitioners can help their companies:

- Be More Flexible
- Cut Costs
- Deliver on Time
- Boost Quality
- Increase Capacity
- Grow Sales

BENEFIT FROM EXPERIENCED FACILITATORS.

Designed by manufacturing professionals, and delivered by IMEC's Lean Manufacturing Team, the course content and facilitation are based on real-life successes and bring practical solutions to today's manufacturing challenges.

Fees: \$1749 per company seat*

Fees include lunches and all training materials. While it is recommended that the same individual attend all sessions, participants from one company can vary based upon session topic. A minimum of 15 participants are required in each session.

REGISTRATION

Register your company seat(s) at www.imec.org (click on Events), or call IMEC at 888.806.4632.

Registration deadline is April 24.
