Our Mission Statement:

We offer education, training, and support services to individuals facing educational and economic barriers to their transition to college and careers.

We strive to engage learners in a supportive environment with flexibility, compassion, and respect.

Through our programs and collaborations with community resources, we provide learners with opportunities to gain skills to achieve their goals and sustain enduring success.

For the purposes of compliance with section 511 of Public Law 101-166 (The Stevens Amendment) approximately 60% of federal funds were used to produce this marketing.
