Welcome to the Kishwaukee College Adult Education program!

Kishwaukee College has been monitoring COVID-19 and its impact on College activities. Our first priority is the safety of our students, staff and faculty. Therefore, all Adult Education courses will be offered as hybrid classes for the Fall 2020 semester. A hybrid class will include a few traditional face-to-face class sessions, with the remaining sessions web-based online learning. Registrants will be assigned into Group A or Group B for attendance in face-to-face meetings to ensure social distancing.

How can I get started? Call (815)825-9420 to reserve a seat for classes as soon as possible due to limited seating. If a staff member is unable to answer, please leave a message and staff will contact you within 24 hours. Staff will ensure that you are registered for class(es) that fit your needs. You will be provided a confirmation code to use for every class period and will need to show a picture ID as each class session. Assessment testing will happen on the first day of class.

On-campus sessions will require that you enter the College or off campus sites through select doors. You are **required to wear a mask** while on campus and in class. Due to the COVID-19 pandemic, **childcare services will not be offered** at any of our locations. Please be sure to arrange for your childcare needs as children will not be able to attend classes.
