You are invited to DeKalb County Culture Celebration!

Take part in this family-friendly event that educates and celebrates different cultures within the community while promoting a sense of unity and belonging. There will be food and craft vendors from all different backgrounds, music from all over the world, and performances from several ethnic groups.

If you or your organization wants to help break down walls through greater understanding and promote a sense of unity and belonging in the community, contact Shaylee Hester at shester@ohinc.org.
