This directory has been compiled for your use by the DeKalb County Community Action Program that is funded by a Community Services Block Grant through the State of Illinois Department of Commerce and Economic Opportunity.

The Program also maintains an informational and referral service with additional available service providers. If you do not find a resource in this directory to meet your needs or require additional information, we encourage you to call us at the phone number listed above. We will make every effort to locate the nearest service available.

Due to ever changing service availability this directory may not have all current assistance information. We welcome any additions, corrections, and suggestions to be sent to us by using our website contact message, phone call, or email to info@fsadekalbcouty.org.

Illinois 2-1-1

Get connected with essential community, health, and human service assistance. Call 2-1-1 or visit <http://www.navigateresources.net/path/> to access an online database to search for basic needs, crisis and mental, financial assistance, health care, support groups, and others. This fast, free, confidential resource finder provides access to information, referrals, and crisis response. Due to difference in phone service and wireless providers, callers who experience difficulty contacting 2-1-1 may call direct (toll-free) 888-865-9903.

Crisis, Information, and Referral Workers can be reached 24 hours a day, 7 days a week, 365 days per year by calling United Way 2-1-1.

Welcome to the DeKalb County Forest Preserve District

DeKalb County Forest Preserve District was established in 1942 to provide recreational opportunities, to preserve our natural plants and animal life for both public enjoyment and education, and for the protection of our natural heritage. In all seasons, the DeKalb County Forest Preserve District offers a wide variety of activities and beautiful settings.

Adee's Woods: 4106 Old State Road, Kirkland. Sits on a bluff 35 feet above Owens Creek with a single trail that winds south to the bluff overlooking the picturesque creek. Includes; 10 acres, hiking trails, and picnic areas

Afton Preserve: 13600 Crego Road, DeKalb. DeKalb County's largest forest preserve. "National hot spot" for bird watching with over 245 species of birds observed there since 2004. Includes: A mix of prairie, trees, shrubs, wetlands, stream, pond, grasslands and open space, 316-acres, handicap access, observation deck, cross country skiing, hunting, fishing, historic area, open play fields, picnic areas, playground, enclosed shelter, open air shelters, water, and restrooms

Chief Shabbona Forest Preserve: 4490 Preserve Road, Shabbona. Hugs the northeastern border of Shabbona Lake State Park. Once home to the namesake and his Potawatomi tribe. Includes: 88 acres, handicap access, cross country skiing, hiking, historic site, open play fields, picnic areas, playground, enclosed shelters with wood stoves, snowmobiling, water, and restrooms

County Farm Wood: 2305 State Route 23, Dekalb. Tucked behind a shopping center along Sycamore Rd, it can be accessed by a loop trail along the DeKalb Park District Nature Trail. Includes: 9 acres, handicap access, hiking, and biking

DeKalb/Sycamore Trail: 955 E State St, Sycamore. Six mile asphalt paved trail connects to the DeKalb Park District trails and to the city of Sycamore. A shared street/bike route directs you to Sycamore Park, Sycamore Forest Preserve and the Great Western Trail. Includes: 6 miles, handicap access, cross country skiing, hiking, biking, picnic areas, and snowmobiling

The Great Western Trail: Connects with a system of other trails that run almost to Chicago, sits on the old Great Western Railroad right-of-way for 3.5 miles in DeKalb County and 14 miles in Kane County from the Sycamore Forest Preserve trail head. Includes: 17 mile nature trail (DeKalb and Kane counties), biking, hiking, and snowmobiling

Hoppe Heritage Farmstead/South Branch Prairie: 31966 Pleasant Hill Road, Kingston. Location of the relocated and re-constructed 1845 Miller-Elwood log cabin. Recognized nationally by the Natural Resources Conservation Service as an especially high quality wetland restoration. Includes: 60 acres, handicap access, cross country skiing, fishing, hiking, historic property, picnic areas, and water

Knute Olson, Jr. Forest Preserve: 12595 Base Line Road, Kingston. Former gravel quarry site has two nice woodlands – a floodplain forest and an upland forest, it is a good spot for Smallmouth Bass and Northern Pike fishing. Includes: 26 acres, handicap access, canoeing, cross country skiing, fishing, hiking, open play fields, picnic areas, open air shelters, water, and restrooms

MacQueen Forest Preserve: 3640 Scout Road, Kirkland. A former boy scout camp. A 100 foot bluff, too steep to walk, drops to the South Branch Kishwaukee River – a run where the river flows across limestone bedrock and the drops over The Great Kishwaukee Falls: an eroded fracture straight across the river's bed that allows the water to crash straight over the precipice before falling six inches to the bedrock below. Includes: 48 acres, handicap access, tent camping, cross country skiing, canoeing, hiking, open field areas, fishing, picnic areas, playground, enclosed shelters, open air shelters, water, and restrooms

Welcome to the DeKalb County Forest Preserve District...continued...

Merritt Prairie: 14401 Keslinger Road, DeKalb. The old one-room Pierce Town Hall building sits near the preserve entrance. Includes: 56 acres, cross country skiing, hiking, and picnic areas

P.A. Nehring Preserve: 380 Bethany Road, DeKalb. A couple blocks from the hubbub of DeKalb and Sycamore commercial districts. Includes: 28 acres, handicap access, hiking, fishing, picnic areas, cross country skiing, open play field, open air shelter, restrooms, and water

Potawatomi Woods: 32199 Kirkland Road, Kirkland. The second largest of our county forest preserves. Canoe launch enters the river at the bridge to the adjoining Kishwaukee River State Fish and Wildlife Area. A one mile hike will get you to a bridge across Kingsbury Creek, and into the MacQueen preserve. Includes: 300 acres, handicap access, canoeing, hiking, fishing, cross country skiing, picnic areas, playground, open air shelters, and restrooms

Prairie Oaks Preserve & Swanson Grove: 7535 Cherry Valley Road, Kingston. There are a couple miles of mowed trails, 1.5 acres of mowed picnic areas with tables, occasional benches, and a 750 foot trail to an overlook. Includes: 43 acres, handicap access, hiking, cross country skiing, picnic areas, Oak Savannah, wetland, fen, stream, prairie and forest habitat, outdoor activities, environmental education, sledding hill, restrooms, and water

Russell Woods: 11750 State Rte. 72, Genoa. The Natural Resources Education Center houses the University of Illinois Extension Outdoor Education Programs that serve 5,000 children and adults every year on site and with classroom visits. This site is designated a "unique aquatic resource" by the Illinois Department of Natural Resources and the Illinois Natural History Survey. There is a trail that takes visitors to the adjoining Hoppe Heritage Farmstead and South Branch Prairie. Includes: 126 acres, handicap access, cross country skiing, hiking, biking, canoeing, fishing, natural resource center, open play fields, picnic areas, playground, enclosed shelters, sledding hill, restrooms, and water

Sannauk Forest Preserve: 15250 US Hwy 34, Somonauk. Situated right next to LaSalle County, between the cities of Sandwich and Somonauk. It had been a golf course until sometime during the great depression. A 1.5 mile limestone trail, Somonauk Trail, connects the Village of Somonauk (trailhead at the Somonauk Library) to Sannauk Forest Preserve. Includes: 73 acres, handicap access, cross country skiing, fishing, hiking, historic site, open play fields, picnic areas, playground, enclosed shelter, open air shelters, sledding hill, restrooms, and water

Somonauk Trail: 15250 US-34, Sandwich. A 1.5 mile limestone trail connects the Village of Somonauk (trailhead at the Somonauk Library) to Sannauk Forest Preserve. 1.5 miles, open sunrise to sunset, handicap accessible, biking, hiking, running, and cross country skiing

Sycamore Forest Preserve: 955 E State St, Sycamore. Near downtown Sycamore businesses and Sycamore Park District Golf Course. The former Evergreen Village Mobile Home Park, a federal FEMA grant helped acquire the property. The Great Western Trail has been extended another half mile west into this preserve and will be the new trailhead area. The East Branch Kishwaukee River flows along the preserve's western flank. Includes: 60 acres, open air shelters, picnic areas, handicap accessibility, cross country skiing, hiking, fishing, and biking

Wilkinson-Renwick Marsh: 25855 Glidden Rd, Claire. The only state-dedicated Natural Area. One of the very few undrained, unfilled, unfarmed prairie pothole marshes in the entire Grand Prairie Region. A chunk of glacier took a long time to melt, and left a hole in the ground. Later, two railroad lines crossed here; there was a station (only the foundation remains) and livestock pens for transferring animals from one line to another. There is an observation deck at the marsh. Includes: 46 acres, handicap access, hiking, and picnic areas

Children's Advocacy Center (815) 756-8616

at Family Service Agency of DeKalb County
1325 Sycamore Rd., DeKalb

"We believe every child that has been abused deserves a safe place to be heard."

The Children's Advocacy Center (CAC) acts as a neutral, third-party hub whose purpose is coordinating services and safe, child-sensitive support to children and their non-offending family members. Research shows the CAC's one-time interview with a specially trained forensic interviewer relieves some of the additional trauma the child would experience with several separate interviews. The CAC also provides: referrals for medical treatment, trauma assessments, referrals for counseling and caregiver education through the CAC, in-person support during court proceedings, and community prevention and awareness presentations.

Tadpoles (2 Year Olds)

In Tadpoles, children will meet 2 days a week and will develop skills in listening, following directions and sharing. This class also includes further development of large motor skills, as well as beginning age-appropriate educational basics such as color, letter and number recognition.

Leap Frogs (3-4 Year Olds)

In Leap Frogs, children will meet 2 days a week and will continue to grow their listening and following directions skills, while developing fine motor skills such as writing and using scissors. Further letter and sound recognition is incorporated into daily lessons, and social skills and independence are important skills for this class. Additional swimming enrichment is included weekly.

Caterpillars (3-4 Year Olds)

In this class, children meet 3 days a week and will continue to develop fine motor skills with writing letters and cutting shapes. Children will work on letters and sounds as well as writing the alphabet. Some basics, such as addition and counting, as well as incorporating ideas of weather and measuring will help the children begin to explore math and science concepts. Additional music, sports, and swimming enrichment are included weekly.

Butterflies (4-5 year olds)

For Butterflies, children should be entering Kindergarten. Classroom activities are designed to provide your child with the school readiness skills needed to enter Kindergarten. Children will review letters and sounds, and additional math concepts such as time, money, and addition will be introduced. Basic sight words will be part of the weekly themes and writing letters will also be practiced. Additional music, sports, and swimming enrichment are included weekly. Parents will receive progress reports, and teachers will conduct conferences at the end of the program.

Telehealth Services

(877) 243-0001

Behavioral Health interventions and psychiatry services are integral to successful recovery plans. Individuals can lead more fulfilling lives and participate in and contribute to their communities. Individuals experience barriers to treatment such as living in rural areas with little transportation opportunity or living with acute symptoms that create severe anxiety and stress and hinder recovery program participation.

Telehealth services can reach these individuals and facilitate access to remote psychiatric care and counseling. COVID 19 introduced a new barrier to service that has made telehealth services a vital component of treatment and recovery.

Adventure Works

(815) 517-0825

1211 Sycamore Rd., DeKalb

Adventure Works serves ages 0-26 and believes that people of any age can benefit from our effective approach to counseling. In conjunction with the use of adventure activities, our therapists provide an engaging way of counseling to promote growth and change, often called adventure therapy. Adventure Works therapists are committed to a client-centered approach incorporating the most effective and appropriate treatment options for their client(s). By working as a partner in the process, therapists can help identify a client's own strengths and supports to meet their goals. Adventure Works is a for-purpose organization and strives to provide counseling services to youth regardless of their ability to pay using a sliding fee scale, supplemented by grants and donations from the community. Adventure Works accepts many insurance plans and private pay fees with adult clients. Due to our non-profit status and funding structure, no financial support is available for adult clients at this time.

12 Health Services Dr., DeKalb

The professionals here believe that counseling is a collaborative effort between the provider and the patient. During your first session, you and your provider will get to know each other and if possible, determine the best plan for your care. In the initial session, it is important that you feel comfortable to ask questions regarding your provider's approach, education, and training. Your provider will also ask you questions about your reasons for coming, your personal and family history, and other healthcare information.

DUI Evaluations: Secretary of State evaluations and updates, anger management and mental health

evaluations. We also provide court, jail, and off-site evaluations. When someone is arrested in Illinois for a DUI, the Court will most likely order an alcohol and drug evaluation. This evaluation will determine the extent of the defendant's substance use and his or her consequent risk to the public. It will also determine what kind of educational and counseling programs will be required. This evaluation must be done before any kind of driving permit can be issued.

DUI Counseling: Will ensure you receive the counseling you need and help you get your driver's license reinstated. We provide risk education, outpatient substance abuse treatment, aftercare, anger, and mental health counseling. Our group meetings are conveniently scheduled both during the day and evening hours. We also offer Saturday sessions.

Individual counseling is a personal opportunity to receive support and experience growth during challenging times in life. Individual counseling can help one deal with many personal topics in life such as anger, depression, anxiety, substance abuse, marriage and relationship challenges, parenting problems, school difficulties, career changes, etc.

Group counseling allows one to find out that they are not alone in their type of life challenge. To be involved in a group of peers who are in a similar place not only increases one's understanding of the struggles around the topic but also the variety of the possible solutions available. Typically, groups have up to 15 participants, one or two group leaders, and revolve around common topics like anger management, self-esteem, divorce, and domestic violence, recovery from abuse and trauma, and substance abuse and recovery.

Anger Management Counseling: Out-of-control anger leads to a pattern of negative behavior that can hurt relationships, career, even mental and physical health. Anger management classes help unlearn these negative responses to anger and help you regain control. An anger management counselor can help you recognize early signs of anger, and teach you to take the necessary steps to relax and deal with the situation in a positive way. Through discussion, training, and behavior modification techniques, a highly angry person can begin to see results, moving closer to mid-range anger, in 5 - 8 weeks. Anger management courses don't try to keep you from feeling anger but enables individuals on how to express anger in a healthy way. Managing anger is a learned behavior, requiring practice and resilience. Group anger management sessions allow you to see others coping with similar challenges and hear their personal stories of failures and successes.

Hope Haven, (815) 758-5765
1145 Rushmoore Dr., DeKalb
Youth Trauma Program: Compared to non-homeless children, homeless children disproportionately experience childhood trauma at much higher rates. Trauma negatively affects the stress response system, rational thought, emotional and psychological presence, ability to trust and feel safe, coping skills, and emotional regulation. Hope Haven provides group therapy to youth who have experienced childhood trauma through mutual support, talk therapy, and experiential therapy. Experiential therapy includes outdoor expeditions, nature, meditation, mindfulness, art, and other forms of healing through experiences. For therapeutic continuity, youth who start therapy at Hope Haven can continue in group therapy once they transition out of homelessness.

Disability Resource Center (815) 753-1303

Northern Illinois University

Campus Life Building, Suite 180

The Disability Resource Center (DRC) offers guidance, services and resources to help you succeed at NIU. We will work with you to determine your needs and develop a plan to meet them. Come prepared to discuss issues related to accessibility that may impact your success at NIU. Our office works to provide reasonable and appropriate accommodations for students and the campus community. Exam accommodations, classroom accommodations, reformatting of course materials and adaptive technology are a few of the accommodations we offer.

Promoting self-advocacy and communication skills, we focus on helping students create collaborative relationships with faculty and staff. Faculty are integral to supporting students who are eligible for accommodations in the classroom. We work with faculty and department staff so accommodations are understood and implemented for student access and success. We work closely with and support the efforts of the Presidential Commission on Persons with Disabilities. The students, faculty and staff who serve on the commission make recommendations to the president regarding people with disabilities at NIU. <https://www.niu.edu/disability/>

Allsup/True Help (800) 854-1418

Choosing disability representation is especially important in the earliest stages of the SSDI approval process. Without help, your initial application may be denied and the delays associated with filing appeals are lengthy. With assistance from True Help, you get support wherever you are in the process and our approval rates are higher than the national average. Many attorneys, however, don't accept disability claims until reaching the hearing level. If you choose a True Help expert like us, you will typically receive your benefits and income sooner and can avoid the appeal and hearing levels of the process.

Catholic Charities USA (312) 655-7700
721 N Lasalle St, Chicago, IL 60654

Catholic Charities fulfills the Church's role in the mission of charity to anyone in need by providing compassionate, competent and professional services that strengthen and support individuals, families and communities based on the value and dignity of human life. In order to remain faithful to our mission, Catholic Charities is guided by these core values: Respect, Compassion, Competence and Stewardship. Our mission and values are based on the firm foundation of Catholic Social Teaching, a collection of themes developed in papal and other writings over the course of the Church's history. These themes include the belief that human life is sacred; that all humans have inherent dignity, rights and responsibilities; that social structures like marriage and the family must be supported; that the needs of the poor and vulnerable must be met; and that we must be responsible stewards of God's creation. Far from limiting our focus, our Catholic identity and values enable us to truly be "universal," which is what "catholic" really means. The tenets of Catholic Social Teaching call us to serve everyone, regardless of their belief or background, and to employ anyone, not just Catholics, who commits to our mission. Christ reached out to people of all faiths, and Catholic Charities does the same, with the goal of transforming lives for the better.

Christ Community Church (815) 787-6161

2350 Pride Ave, DeKalb

In order to accomplish our mission, we put great emphasis on four key values. The first is Belonging. There is a place for you at Christ Community Church. A second key value is Growing. The Bible is taught here in a way that is relevant to your everyday life. Heart-felt worship will move you closer to God. Interaction with others who are pursuing God will stimulate your own spiritual growth. Serving is a third key value. You can choose from dozens of ministries at Christ Community Church that will tap the unique gifts and abilities that God has given you. And beyond our walls, we are serving alongside area-wide partners who are ministering to the poor, unwed mothers, inmates, and the elderly - people with distressing needs. Finally, we are a church that values Reaching. We want to reach out to friends and neighbors who are looking for a personal relationship with God.

Hope Haven, (815) 758-5765

1145 Rushmoore Dr., DeKalb

<https://www.hopehavendekalb.com/programs>

Homeless Prevention Program: Assistance designed to prevent the incidence of homelessness, including, but not limited to: (1) emergency rent assistance for families in imminent danger of eviction; (2) security deposits or first month's rent to help a family move into permanent housing in order to divert homelessness; (3) emergency financial assistance to prevent housing foreclosure and (3) referrals to services designed to prevent the incidence of homelessness

Rapid Re-housing Program is geared to help homeless families and individuals transition to permanent housing as quickly as possible. Relocation and stabilization services are offered in the shelter for residents needing only temporary assistance. Those residents will receive case management services that follow them into permanent housing for a limited time. The goal of the program is to identify the homeless who have low housing barriers therefore need only limited assistance in order to successfully transition back to permanent housing.

Emergency Shelter Program: The shelter on Rushmoore Drive is open year round and offers food, shelter, and supportive services for individuals and families from DeKalb County who need emergency access to food, shelter, and safety. Breakfast and sack lunches are provided each morning and dinner is delivered by area churches and organizations. Case managers assist residents of the emergency shelter in developing an individualized "plan of action" addressing goals to move to permanent housing, access or increase income, apply for eligible benefits, minimize the days in shelter and reduce the recidivism of homelessness.

Permanent Housing Programs

Dresser Court is a twenty-six unit, subsidized apartment complex that provides permanent housing with intensive on-site programs and services for people with disabilities and a history of chronic homelessness. Hope Haven is responsible for screening residents for eligibility and providing supportive services. The goal of the program is to assist residents in maintaining permanent housing.

Housing First Program, located on Rushmore Drive, provides subsidized housing to twelve individuals who have been chronically homeless due to a diagnosed mental illness. Housing is in single rooms, with a shared kitchen and living space. Hope Haven provides intensive supportive services. The goal of this program is to secure housing for the homeless who are considered the "hardest to house."

Skill-Set Evaluations: We identify the strengths and abilities of the individual for a better job match.

Educational and Skill Supplementation: By helping people pursue and complete educational requirements, training, certifications, and other prerequisites for gainful employment, we tear down the qualification barriers standing in their way. For those with mental health or substance-abuse issues, we help them find the treatment and/or medication they need to perform at their best.

Placement Assistance: By giving those in need résumé, interview, and job placement assistance, we help them find productive work for sustainable wages.

Employment Assistance: We believe in a comprehensive approach to helping families pull themselves above the poverty line. This includes equipping parents with educational resources, career coaching, and opportunities for job placement. When people are better prepared for stable and gainful employment, we can reduce the need for bill, food, and shelter assistance.

In order to accomplish our mission, we put great emphasis on four key values. The first is Belonging.

There is a place for you at Christ Community Church. A second key value is Growing. The Bible is taught here in a way that is relevant to your everyday life. Heart-felt worship will move you closer to God. Interaction with others who are pursuing God will stimulate your own spiritual growth. Serving is a third key value. You can choose from dozens of ministries at Christ Community Church that will tap the unique gifts and abilities that God has given you. And beyond our walls, we are serving alongside area-wide partners who are ministering to the poor, unwed mothers, inmates, and the elderly - people with distressing needs. Finally, we are a church that values Reaching. We want to reach out to friends and neighbors who are looking for a personal relationship with God.

Community Contacts, Inc. (847) 697-4400

151 West Lincoln Hwy., Suite E, DeKalb

We are dedicated to helping low and moderate income families attain and maintain safe and affordable housing. CCI seeks to provide utility bill assistance, weatherization and housing rehabilitation for eligible households. We do this through a variety of programs that focus on energy conservation and the affordability of local housing stock. Our mission is to make affordable housing a reality for local, elderly, economically disadvantaged and disabled individuals and families.

<http://cci-hci.org/>

Low Income Home Energy assistance (LIHEAP):

LIHEAP is designed to assist eligible households pay for assistance on utility bills. LIHEAP provides one-time benefit for heat and electric bills. The benefit amount is determined by income, household size, and heating fuel type.

There are four components to the LIHEAP program:

1. **The Regular Program** – Is a one-time assistance with the heat and electric bills, with the payment going directly to the utility.
2. **Reconnection Assistance** – Designed for those households who are disconnected from their heat or electricity. Or if the delivered fuel is less than 25% in tank or if supplier refuses to deliver, the household may be eligible for this program.
3. **Emergency Furnace** – Designed for homeowners whose furnace is non-operational and who fall within the income guidelines.
4. **PIPP** – The Percentage of Income Payment Program (PIPP) is designed for those households to pay a percentage of their income and receive a monthly benefit toward their utility bill. (When funding is available).

A past due bill or disconnection notice is not required to be eligible. Assistance is available for natural gas, propane, heating oil and electricity. In some cases, if the heat and electricity are included in the rent, the household may be eligible for some assistance. Community Contacts, Inc operates the LIHEAP program throughout Kane and Dekalb counties. Funding is provided by the Us Dept. of Health and Human Services and by the State of Illinois Supplemental Low Income Energy Assistance Fund. The program is administered throughout the state by the Illinois Department of Commerce and Economic Opportunity.

Illinois Home Weatherization Assistance Program

IHWAP is designed to help eligible households conserve energy and save money, while increasing the comfort of their homes. This is done by air sealing (tightening) the home. Safety checks are also performed on every home to ensure smoke detectors and carbon monoxide detectors are properly working.

Program eligibility depends upon:

- Annual household income.
- Received LIHEAP assistance in last 12 months.
- Someone in the household receives SSI, AABD or TANF.

Depending upon the type, age, and condition of the home some of the following energy saving measures may be performed.

- Air sealing with 2 part foam.
- Insulation blown into the attic or walls.
- Weather-strip and door sweeps.
- Caulk of windows and doors.
- Replacement of existing heating system with a more efficient system.

Community Contacts' Weatherization staff determines if the household is income eligible and notifies them within 30 days after all of the documentation has been received. If the household is eligible, one of the agency's trained staff will assess the home and conduct an energy audit that will determine what work can be done in order to save the most energy. The work to be done on the home is scheduled and the contractor contacts the applicant to arrange a time for the weatherization work to be done. The contractors, using the work order generated from the computerized audit, install the appropriate materials in the home. After the work is completed, the home is inspected to make sure the work is complete, correct and answer any questions. All work comes with a one year warranty.

This program is administered by the Department of Commerce and Economic Opportunity, Office of Energy Assistance. Community Contacts, Inc. provides weatherization services throughout Kane and DeKalb counties. cci-hci.org/affordable-housing-illinois-home-weatherization-assistance-program/

Health Services

Ben Gordon Center NM (815) 756-4875

12 Health Services Dr., DeKalb

The professionals here believe that counseling is a collaborative effort between the provider and the patient. During your first session, you and your provider will get to know each other and if possible, determine the best plan for your care. In the initial session, it is important that you feel comfortable to ask questions regarding your provider's approach, education, and training. Your provider will also ask you questions about your reasons for coming, your personal and family history, and other healthcare information.

Holiday Assistance

Goodfellows

107 W. Exchange St, Sycamore

Goodfellows is a local non-profit organization that provides shoes and clothes for over 900 children in our local community! Goodfellows Creed: "The Christmas season is at hand. Let us link our hands in warm friendship. Let us seek out the less blessed. Let us be 'Goodfellows'. Let us plant the seeds of cheer where cheer has not grown before. You are needed and blessings await all who answer. Be with us."

Angel Tree Program

We put new clothes and toys under the tree for 1 million children who usually have to go without Christmas gifts. Anonymous donors adopt these little "angels" in an expanding Christmas tradition that makes the season brighter for both the gift giver and receiver.

Bill Pay Assistance

The Salvation Army helps struggling households pay their utility bills, offsetting the added financial burdens that come with Christmas expenses and keeping the heat on during those cold winter nights. This allows low-income families to maintain self-dignity and stability while keeping up with their bills.

Grocery and Food Assistance

From hosting sit-down Christmas dinners to delivering meals to stocking food pantries, we give the gift of a full stomach to many. The Salvation Army makes sure low-income families, struggling seniors, and those without a home for the holidays have something to eat.

Holiday Events

We spread Christmas cheer each holiday season through traditions such as hospital visits, nursing home events, meal delivery, bell ringing, gifting programs, and clothing and Christmas toy donations. This gives the gift of hope and relief to low-income families, shut-ins, children of prisoners, and those without a home for the holidays.

Illinois Home Weatherization Assistance Program

IHWAP is designed to help eligible households conserve energy and save money, while increasing the comfort of their homes. This is done by air sealing (tightening) the home. Safety checks are also performed on every home to ensure smoke detectors and carbon monoxide detectors are properly working.

Program eligibility depends upon:

- Annual household income.
- Received LIHEAP assistance in last 12 months.
- Someone in the household receives SSI, AABD or TANF.

Depending upon the type, age, and condition of the home some of the following energy saving measures may be performed.

- Air sealing with 2 part foam.
- Insulation blown into the attic or walls.
- Weather-strip and door sweeps.
- Caulk of windows and doors.
- Replacement of existing heating system with a more efficient system.

Community Contacts' Weatherization staff determines if the household is income eligible and notifies them within 30 days after all of the documentation has been received. If the household is eligible, one of the agency's trained staff will assess the home and conduct an energy audit that will determine what work can be done in order to save the most energy. The work to be done on the home is scheduled and the contractor contacts the applicant to arrange a time for the weatherization work to be done. The contractors, using the work order generated from the computerized audit, install the appropriate materials in the home.

After the work is completed, the home is inspected to make sure the work is complete, correct and answer any questions. All work comes with a one year warranty.

This program is administered by the Department of Commerce and Economic Opportunity, Office of Energy Assistance. Community Contacts, Inc. provides weatherization services throughout Kane and DeKalb counties.

Housing Rehabilitation Program: *DeKalb County Single Family Rehabilitation Program is designed to enable income eligible homeowners to undertake necessary repairs to their homes to bring them up to building code standards. It provides a FORGIVABLE five year no-interest loan to qualifying households for that purpose. The maximum amount a homeowner may borrow is \$35,000. The minimum amount which can be spent on a house is \$4,000.*

- Assess the need.
- Inspect the property.
- Write the work order.
- Bid the jobs.
- Supervise the contractors.
- Inspect the job sites.
- Handle the paperwork.

Homeless Prevention Program: Assistance designed to prevent the incidence of homelessness, including, but not limited to: (1) emergency rent assistance for families in imminent danger of eviction; (2) security deposits or first month's rent to help a family move into permanent housing in order to divert homelessness; (3) emergency financial assistance to prevent housing foreclosure and (3) referrals to services designed to prevent the incidence of homelessness.

Rapid Re-housing Program is geared to help homeless families and individuals transition to permanent housing as quickly as possible. Relocation and stabilization services are offered in the shelter for residents needing only temporary assistance. Those residents will receive case management services that follow them into permanent housing for a limited time. The goal of the program is to identify the homeless who have low housing barriers therefore need only limited assistance in order to successfully transition back to permanent housing.

Emergency Shelter Program: The shelter on Rushmore Drive is open year round and offers food, shelter, and supportive services for individuals and families from DeKalb County who need emergency access to food, shelter, and safety. Breakfast and sack lunches are provided each morning and dinner is delivered by area churches and organizations. Transitional Housing

Our transitional housing programs offer hope to the temporarily displaced, chronically homeless population, and many young adults who have aged out of the foster care system. For those experiencing a recent eviction, domestic breakup, addiction issue, or any other housing crisis, our temporary shelters provide homeless individuals with food and lodging while equipping them with the resources and support needed to regain stability.

Permanent Supportive Housing

The Salvation Army's long-term housing services range from supportive facilities for the elderly and affordable housing programs for low-income seniors to apartment assistance for vulnerable young adults and dedicated living complexes for homeless adults and families. Across our thousands of local branches, we assist those on fixed incomes, those struggling to rise above the poverty line, and those fighting to give their kids a safe place to call home.

Re-Entry Resources

In addition to providing food and lodging, our centers offer educational support, counseling and vocational services to homeless people, destitute individuals and families, and vulnerable youth. Our dedicated on-site caseworkers equip clients to embrace responsibility, meet goals, and gain self-sufficiency. In fact, even after residents secure permanent housing, we continue to help them maintain stability via emergency food and utility assistance.

Prairie State Legal Services offers free legal services for low-income persons and those age 60 and over who have serious civil legal problems and need legal help to solve them. There are 11 office locations serving 36 counties in northern Illinois.

Every day, people across Illinois are denied the basic rights to which they are entitled under the law simply because they can't afford a lawyer. It's our mission to change that.

Prairie State Legal Services provides free legal help to people who need it most and can afford it least.

The availability of civil legal aid can make all the difference to our neighbors who are fighting to stay in their homes, escape domestic violence, secure benefits for veterans or people with disabilities, or address many other legal challenges that go to the heart of their security and well-being.

Approximately 690,000 people in our service area live in poverty. They have families, hopes and dreams. They are your neighbors. They live in the communities you call home. Our communities are a better place for all of us when help is available when it's needed.

LGBTQ Support

Salvation Army (815) 756-4308

830 Grove St., DeKalb

Teenage Suicide

LGBTQ youth contemplate suicide at almost three times the rate of heterosexual youth. With a presence in every ZIP code in the nation, we're committed to providing spiritual and emotional care to those in need regardless of race, gender, ethnicity, sexual orientation, or gender identity.

Food Insecurity

More than a quarter of LGBTQ Americans are food insecure and rely on the Supplemental Nutrition Assistance Program (SNAP). As one of the nation's largest providers of social services, we understand the importance of helping people maintain their dignity when looking for nutritious food by providing options.

Job Training

Despite progress toward hiring equality, LGBTQ Americans often lack access to educational resources, counseling services, and vocational training to help them obtain well-paying jobs. Our unique programs help LGBTQ individuals cultivate vital life skills needed for successful and stable careers.

Help with Substance Abuse

According to the Substance Abuse and Mental Health Services Administration, LGBTQ adults are more likely than their straight counterparts to abuse substances. The Salvation Army recognizes the need for all people, regardless of income, to have access to rehabilitation programs. Our LGBTQ-friendly programs provide housing, food, counseling, community, and employment as we work to treat the symptoms and, ultimately, the root causes of prolonged alcohol and drug dependence.

Homeless Shelter

Each of our homeless shelters, transitional housing programs, permanent supportive housing services, and re-entry resources are available to anyone in need, according to their need and our capacity to help regardless of race, gender, ethnicity, or sexual orientation. Period. And because a majority of homeless LGBTQ people are under 18, we take special care of that vulnerable community.

Activities

The Salvation Army works to stimulate the minds and bodies of older adults via educational opportunities, low-impact exercise, dances, lunches, fellowship, and countless other "young at heart" activities.

Adult Daycare Centers

Because the mental and physical disabilities associated with old age impact both the elderly and their loved ones, The Salvation Army offers adult day care facilities. Here, older adults unable to independently care for themselves enjoy friendship, kindness, and monitored activities while their caretakers enjoy a much-needed break.

Community

Each Salvation Army corps community center serves its local senior citizen community in unique ways to meet specific needs. A wide variety of program offerings - ranging from clubs and classes to groups and gatherings - empowers older adults to learn, laugh, and thrive among like-minded friends.

Silver Sneakers: *preventative exercise program that enhances the quality of life for mature adults across the country. One of the largest senior-focused exercise program in the United States, this partnership between HCD and HMOs allows Medicare-eligible members of these health plans to participate in YMCA programs at no additional cost. Please visit the YMCA Front desk to see if you qualify.*

Silver Sneakers Yoga: *program is Healthway's older adult group exercise program that specifically targets flexibility, range of movement, balance and mind body integration. Learn basic postures, stretches and relaxation. Exercises can be done sitting or standing. Shoes are worn and there is no floor work.*

Enhanced Fitness: *combines the key components of fitness: strength training, flexibility, cardiovascular conditioning and balance. Classes begin with a warm-up, followed by strength training with light, soft wrist and ankle weights, a cardio session and finish with a cool-down and stretching. This program is recognized by the CDC. Exercises can be done in a chair or standing based on participants needs. Great for those with Arthritis.*

Strength and Balance: *Studies show it is never too late to build muscle strength and endurance to help accomplish daily tasks, improve balance and increase flexibility. Use of bands, tubes, weights and balls. All exercises are done in a chair. This class was developed with NIU.*

Zumba Gold: *designed to bring the excitement of a traditional Zumba class to the beginner participants, the active older adults, and other special populations that may need modification for success. It's an invigorating, community-oriented, dance-fitness class that feels fresh and most of all, exhilarating! Zumba Gold classes provide modified, low impact moves for active older adults.*

Pickleball: *a fun game that is played on a badminton court with the net lowered to 34 inches at the center. It is played with a perforated plastic baseball and wood or composite paddles. It is easy for beginners to learn, but can develop into a quick, fast-paced competitive game for experienced players.*

Pedaling For Parkinson's: Pedaling a bicycle may change the life of someone with Parkinson's disease. Research conducted at the Cleveland Clinic showed a 35% reduction in symptoms by the simple act of pedaling a bicycle at a rapid pace – optimally, 80-90 revolutions per minute. Fast pedaling is not a cure of Parkinson's disease and should not be touted as such, but there is compelling evidence to show that it does make a real difference for many who try it.

Shelters

We offer a home to those who have protected ours. Whenever a veteran doesn't have any place to go, it's an honor to give them a place to rest their head, a hot meal, help finding employment, and a fresh start.

Adult Rehabilitation Centers

Those who fought to protect us often find themselves battling PTSD and drug and alcohol addiction after returning home. At our Adult Rehabilitation Centers, we offer faith-based recovery and work programs in addition to other veteran services to help our country's bravest overcome these struggles and return home to their families.

Community

Veterans often find themselves battling loneliness and depression years after returning home. The Salvation Army is committed to standing beside those who stood up for us by offering a variety of veteran services to meet their needs. Whether it's phone cards to call home, wheelchair assistance, large-print Bibles, or a friendly smile and companionship for the afternoon, we're always ready to come to their aid.

Support Over Stigma 630) 492-0308

A group of veterans, parents of both active duty and veterans and professionals whose main goal is to remove the stigma that comes with seeking help for mental health issues, especially PTSD. Second is providing resources and tools to support active duty military, veterans, first responders and their families, especially those battling PTSD and homelessness. Our third goal is to educate the public about the dilemmas those with PTSD struggle with and get them the help they need.

Choosing Healthy Actions, Mindset, Principles, and Spirit. C.H.A.M.P.S.

Give your fourth and fifth graders the experience of a 10-week program to learn whole-life health. Going into middle school and high school can be a roller-coaster ride for youth, so it is important for them to have a firm foundation to build character and leadership. The Kishwaukee YMCA has partnered with DeKalb County Youth Service Bureau to design a program that incorporates teambuilding, problem-solving, communication, and responsibility, along with the chance to enjoy YMCA recreational and physical fitness activities. Each participant will have a complimentary Y pass for the duration of the class.

Jr. High Y Club

Looking for something to do with your friends on Friday nights? Come check out our Jr. High Y Club that offer a fun and safe environment full of games, music and activities! This program will give middle school students a place to go in order to relax and hang out with friends, learn more about themselves and how they can make a positive impact in their community.

4th Grad Initiative

The YMCA is proud and very excited to introduce its new 4th grade initiative program. The 4th Grade Initiative (4GI) offers a free one-year YMCA membership to all existing and incoming fourth-graders throughout the community. 4GI aims to provide 4th graders with opportunities for fitness and sports as well as a chance to socialize with peers in a safe, supervised environment. 4th grade is a critical transition period for many young kids. The mission of the 4GI program is to assist children in this transition by providing programs that encourage well-rounded development that benefit kids physically and mentally. The 4GI program aims to help develop well-rounded approaches to healthy living for all 4th graders. By signing up for the 4GI program, students receive a free one year membership to the Kishwaukee Family YMCA. Special programs are designed for 4th grade students specifically, and include fun activities throughout the school year and summer such as pool parties, scavenger hunts, crafts, ice cream socials, giant inflatables, and more. Homework help and leadership training is also included. It's a time for 4th graders to have fun, stay fit, and meet friends!

Before and After School Program

The Y's Before and After School Program engages kids in physically active, learning and imaginative activities that encouraged exploration of who they are and what they can achieve. In addition to supplementing what they have learned in school, they participate in interactive learning that helps build healthy habits, active lifestyles and continued learning. Students get assistance with their homework from trained Y staff, form long-lasting friendships that enhance their development and growth and learn skills that can build self-confidence. Plus we've got you covered on Early Release Days and School's Out Days.

Schools Day Out

YMCA Schools Day Out is designed to give busy families peace of mind when school is not in session. We provide children Kindergarten through 8th Grade, a safe, comfortable and nurturing environment where they can learn, grow, thrive and be active. Join us for fun games, sports, swimming, arts and crafts and so much more! Please bring a water bottle, two snacks, a bag lunch, swimsuit and towel.

Youth and Government

Youth and Government (Y&G) provides students the opportunity to experience the democratic process and develop the leadership skills needed to become citizens of a participatory society. Based on the motto "Democracy Must Be Learned By Each Generation," Youth and Government is a nationwide program that involves more than thousands of youth in grades 9-12 each year.

After-School Programs

With over 400 after-school programs nationwide, we foster an environment of learning long after the school day ends. By providing a safe place to study, read, learn, connect with friends, play sports, and enrich the mind, we give at-risk kids a healthy alternative to less-desirable after-school options.

Dance, Art, and Music Programs

Our youth community programs enable children to experience music and art education in positive no-cost or low-cost environments. Our wide array of classes focuses on everything from choir, band, and dancing to drawing, writing, and acting.

Homework Assistance and Counseling

The Salvation Army after-school programs serve children of all ages. We provide one-on-one assistance with homework and school assignments, as well as the teaching and advancement of literacy and study skills.

Kroc Community Centers

Each state-of-the-art Kroc Community Center gives families a chance to discover new skills, passions, and hobbies while connecting with friends and neighbors in safe, educational ways. Each facility offers after-school programs, recreational opportunities, and community programs dedicated to fostering healthy futures.

Sports, Clubs, and Extracurricular Activities

Our no-fee and low-cost after-school programs give children from low-income neighborhoods a chance to play sports, learn athletic skills, and cultivate healthy, safe relationships with friends.

Summer Camps for Kids

Many children from low-income families rarely experience life outside their immediate neighborhood. That's why The Salvation Army's annual summer camp programs are so important. Every year, thousands of kids get a fresh perspective on life as they meet new friends, discover new activities, and get a taste of the great outdoors. As campers learn to swim, play sports, create music, make art, and scout, their trained counselors help them navigate the complicated emotions and struggles often associated with their lives back home.

Youth Services Bureau, DeKalb County

330 Grove St., DeKalb (815) 748-2010

The VolunTEEN program provides DeKalb County youth ages 12-18 with ongoing, organized opportunities to volunteer in their community while enhancing their civic awareness. YSB will provide coordination of volunteer experiences, collaboration with other community organizations, and supervision of the youth that are volunteering.

Alternative to Suspension (ASP) is for students from 6th-12th grade, to act as a gateway to mental health services for at-risk youth who are required to serve out-of-school suspension. While enrolled in the program, youth will receive a comprehensive mental health screening to determine potential risk factors that contributed to the youth being suspended. Clinicians will then make appropriate recommendations to inter-agency mental health programs to address aforementioned risk factors. In addition, if youth are screened and assessed and appear to be in need of a higher level of care, referrals to and coordination with outside providers will be completed by program coordinator. During the youth's time

at the agency, the program coordinator will work with the youth to provide opportunities to maintain their academic credit and offer skill-building (40 developmental assets) to aid in better decision-making and overall healthier state of mental well-being.

Crisis Intervention Program assists families when a youth is refusing to return home, has run away from home, or during a lock-out crisis situation by providing immediate intervention 24 hours a day as well as follow-up counseling. Referrals for this program generally come from police stations in DeKalb County when families are unable to reach a solution in which everyone feels safe and understood. Families who qualify for this program will receive four free sessions of counseling. The goal for services through this program is to keep families together and to prevent DCFS and/or court involvement through counseling.

DeKalb County Youth Project (DCYB) is geared toward youth between the ages of 11 and 18. The program was developed for the purpose of equipping youth with the skills to identify, manage, and appropriately express anger and other intense emotions, in order to prevent aggressive and abusive tendencies, promote pro-social skills, improve anger control, and reduce the frequency of acting out behaviors. Youth can be referred for counseling or META (Managing Emotions, Thoughts, & Actions), an educational group that focus on three components: Anger Control (the Emotional component), Moral Reasoning (the Thoughts component), and Social Skills (the Actions component).

Alcohol/Drug Early Intervention Program (EIP) is designed to educate teens about alcohol, drug, and other substance related issues. A two-session screening assessment is used to gather drug/alcohol history and make recommendations for services. This program uses group education to provide accurate information regarding alcohol/drug use and exploration of the decision-making process involved in making healthy choices. It also offers process groups in our DeKalb County schools.

Therapeutic Art-Making Group (TAG) TAG is an open group, dedicated to creative expression. The purpose of this group is to teach youth the basics of art, provide them with materials, and how to explore those materials and create using their emotions or stories and ability to visually depict those. Projects are shared with the group, as a way of reflecting and processing. The youth involved have the opportunity to plan, create and evaluate (utilizing interpersonal, consequential, problem-solving and goal-setting skills).
